

**Vision:** A Transforming town at the entry point of the mighty Erongo Region to attract multinational investment towards sustainable development

**Mission:** To deliver equitable, effective and efficient Municipal services to our residents and visitors to enable prosperity for all

**2023 Events Calendar:** No upcoming events

**CEO Update:**

It indeed has been a busy time towards the end of our financial year which is 30 June 2023. We bid farewell to our very successful 2022/23 financial year. We are planning to have our budget retreat on the 4<sup>th</sup> April 2023, where we will once again plan for our new 2023/24 financial year. During the upcoming financial year, we plan to continue upgrading our informal settlements to bring dignity to our low-income residents.

**Town Update:** As we wrap up the month of March, Karibib Town Council would like to thank all of its residents for showing resiliency though the water challenges we had this past month. We still advise that residents boil water while we continue to work on this issue. Thank you for your patience.

In the month of March, the Council in collaboration with Development Workshop Namibia held a training for the Early Childhood Education teachers on Safe Food Handling and Financial Management. Additionally, KTC has launched their Help Desk Program, where residents can come into the LED Office every Wednesday from 14H00-17H00 to receive assistance on business related endeavors. Business and Fitness Registration Renewal has closed, if you have yet to renew these items please see the Health Inspector. Illegal dumping of waste still continues to be an issue, please note fines will be issued if you are caught doing this. On the more technical side of projects, water reticulation in Harambee commenced with 30% of pipelaying and backfilling completed, the project is on-going. 10 temporary workers have been appointed to work on the project for a period of 3 months. The project will cover about 1.2km of water reticulation for Usab Ext. 7 & 8. In Usab Informal Settlement a Hydraulic Excavator have been contracted and commenced with the excavation of the sewerage trenches. 10 temporary workers have been appointed to lay the pipes and backfilling of trenches for 3 months. Upgrading of gravel roads to bitumen standards in Usab Proper is in progress and almost completed. 1km of gravel roads will be upgraded in this financial year.

Finally, notice from Council is hereby given to the community of Karibib, that the Karibib Town Council will be having a budget consultation meeting during the month of April 2023. Developmental budget and tariff will be discussed with the community thus your attendance to this important meeting will be highly appreciated. Meeting dates will be availed on notice boards and all social media platforms in due time.
